About Take 5 Oil Change

For over 35 years now, the brand has expanded the drive-thru style oil change concept to over 630 locations throughout the United States and Canada. Their facilities are low-impact, clean and efficient. Underground storage tanks are not used and all oil storage is handled with environmentally-friendly systems. Take 5 Oil Change strives to provide a fast, friendly experience that gets customers back on the road, without getting out of their car.
