About Mochinut

Mochinut serves mochi donuts and Korean rice flour hot dogs. A mochi donut is a donut that originated from Hawaii, which is a combination of American donuts and Japanese mochi. The Mochinut brand is gaining popularity due to its unique shape and wonderful texture; light crispy coating with soft chewy inside. Montclair Hospitality Group – founders of Ani Ramen House – is excited to announce their partnership with Mochinut to develop and operate stores throughout New Jersey.
