About Apple Montessori

Apple Montessori Schools' 15 campuses and 47-year history make it the largest and longest operating network of Montessori schools in New Jersey. Their mission is to educate, enrich and inspire children to reach their fullest potential as kind, independent, curious and happy individuals. Each center makes the most of critical early learning by inspiring a lifelong love of learning in a safe and caring environment using the scientifically proven Montessori approach to education. Apple Montessori currently offers programs for children aged 6 weeks to 12 years, including summer camps.
